

# AIR FORCE SCHOOL,ASTE

EARTH: THE  
TREASURE  
TROVE

**AIR FORCE  
SCHOOL, ASTE**

*Proudly Presents*

**27 July 2019**

...the greens sway in breeze,  
Majestic mountains stand tall above,  
Bewitching Oceans spread sapphire all over...  
The mother earth hugs us with a hearty smile!

The planet earth is unique for its life. Wonder, we are,  
about millions of planets, stars and comets, craving for  
life, or even for water! Our incredible earth enshrouds  
many inexplicable secrets in her treasure trove.

the mesmerising greens  
the darkness of dense forests  
the enchanting chirping birds  
the sand on our heel  
the cool breeze  
the sun rays  
life

the mysteries of oceans  
the striking of towering mountains  
the tempting glow of glaciers  
the myriad flora & fauna  
the moonlight  
the waves  
all of us

No wonder, SHE kindles our curiosity!  
Air Force School, ASTE in its endeavour to express our  
indebtedness towards mother earth and to astir our  
inner consciousness, welcome you all:

**“Earth the Treasure Trove”**

**27 JULY 2019  
SATURDAY**

# EVENTS

## VI -VIII CLASSES

### *Prahasan (skit)*

It is rightly said that 'Action speak louder than words' . Presenting you 'PRAHASAN' a skit competition to enact the **Radiant earth**

### *Prakriti varnana (sloka recitation)*

Chanting slokas have many health benefits but not to forget that it is the best way of expressing thoughts .Grab this opportunity to touch hearts with your sloka.

### *Auctor hunt*

#### *ART OF COMPOSING VERSE AND PRESENTATION*

Neither all minds are creative nor all are born writers...But surely we belong to one of these categories....Come discover here if you are a born 'Auctor'.

### *Inquisitive (quiz)*

All of us are intelligent but when it comes to being rapid a few of us lag behind. Test your reflexes here with inquisitive - the quiz fest.

### *Renovate Best out of waste*

Waste isn't waste until we waste it...And there is always a scope to regard waste before you discard and bring the best out of it!!!!

### *Naara - Slogan writing*

A slogan and a pen both are considered to be the most powerful weapons to express opinions. So get ready to wield your pen...

### ***EXTEMPORE***

All of us have that one favourite topic on which we can speak nonstop but what if you had pickup a random topic and talk on it...Can you do that ? Come try your luck here in the Extempore!!!

### ***Text-tract (Essay writing)***

Have you heard to the term 'Anthropocentric'??Well this is about regarding humankind as the most important element of existence...express your take on this through an essay.

### ***SPECTRUM (Poster Making)***

No doubt that Earth is a treasure of all...Get some posters designed and project your creativity to the throng..

### ***Clay modelling***

The glory of Mother Earth is eternal and here you have a chance to show your talent in making clay models....

### ***Snap spot (Photography)***

'You don't take a photograph you make it' but when you have such diverse flora and fauna around you why don't just capture it!!!!

### ***Cine fest (Movie shooting)***

If you just love movies it's enough, you can make a good one.....so just roll camera and action and shoot a movie with some ingenious moments!!!!!!

## *Unveil (Exhibitions)*

We are blessed with the 'The seven wonders of the world', so now it's time for you to bless us again by creating wonders with your innovative mind...

### *Math-O-Show (Maths Exhibitions)*

An opportunity for everyone to exhibit all the creative work done by their innovative mind.....

### *Socio-fest (Social exhibition)*

Geography explains the uniqueness of mother earth...life on earth is possible and not any other planet..so why not make some models on it!!!

### *Epistimi (Science Exhibition)*

Exotic creatures, succulent plants and life supporting 'atmosphere' where else do you find it except on earth.....

### *Dhara (Hindi Exhibition)*

'Dhara' is here to showcase the extraordinary importance of dhara (Earth)...!!!!

### *Eng-Carnival (English exhibition)*

We are made from mother earth and we go back to mother Earth...So why not celebrate her existence!!!!
